Workshop evaluation

Knowledge before and after the workshop

1. Quite effective
2. Very informative and creates clear horizons.
3. The class was very useful and of a high level, so that the businessman's questions about the upcoming issues were fully answered. Almost all the trainee's questions were answered
4. I learned a lot about the class topic without having any prior background
5. Excellent
6. It is very useful and educational and practical
7. great

At what level was the promotion of knowledge and awareness about international trade?

- 1 .Quite effective
- 2 .Very impressive
- 3 .The path was completely clear and user-friendly for the trainee, and the road map was fully presented.
4. that was perfect
5. My view of business was opened and it improved my knowledge
6. perfect
- 7.very good

Which items do you think it would be useful not to do in the next workshop?

1. Diversity in the instructor / Discussion of the principles and techniques of negotiation at a very preliminary level / Only the commercial view of the instructors.
2. All topics are discussed with professional principles and cannot be faulted.
3. Digital market can be expressed at the end of the course, and before the class, each person can discuss and exchange information with the professors regarding the product.
4. It is better to change the training time to four days and 5 hours a day, and at the end of each day, after the training, 2 hours of practical work should be done.
5. It is better if there are less useful marginal topics
6. Invite a guest

What were the most important strengths of the workshop?

1. Up-to-date - based on real experience - being operational - suitable passkari 2 main lecturers
2. Expressing experiences
3. State the facts of business and the way forward
4. Group participation
5. Practicality and communication between us and the people present in the course, as well as communication with professors and the export department to RussiaProfessors' mastery
6. One is that it was held in two days, zero to one hundred topics were discussed, the coaching session after the workshop is definitely one of the strong points, the mastery of the professors, the friendly gathering in the workshop.
